A Call to Service

Greetings to my Brother Knights:

Our Council is blessed with a large, diverse membership. At present, our membership roster includes some 1,400 Brother Knights from dozens of parishes across our Diocese. Each Brother Knight brings a unique set of talents and abilities to our organization.

The purpose of this Guide is to introduce each Brother Knight to the many programs, events and service opportunities that our Council offers each and every year. Some of these opportunities require a commitment over a considerable period of time; others require little more than the commitment to show up at an event and volunteer for an hour. We offer programs and events for every skill set. Are you a do-it-yourselfer? We've got a program for you. Consider yourself an ace in the kitchen or on the backyard grill? We've got opportunities for you. More of a sports guy? We've got that covered as well.

Our Worthy State Deputy, Tony Herreth, has made "THE PASSION TO SERVE" his theme for this fraternal year. Each of the programs and events listed in this Guide offer you an opportunity to serve your Council, parish and community.

For our newer members, I suggest you find one event or program that piques your interest and get involved. It's the single best way to get to know your Brother Knights and to see our Council in action. For those who've been around a little longer, try to find another program or event to which you can offer your time and your talent. Finally, if you have an interest in an event that is not listed, don't hesitate to get it started. In the past year, we've had Brothers bring back blood drives, start a golf tournament, and organize a repair/maintenance crew. We are always open to new ideas.

Sincerely,
John Little, Grand Knight
